What makes a story interesting?

1. A family member will share a story from their life OR read out a story to you.
2. Identify and tell the following details of the story:

   - Did you like the story? Why or Why not?
   - Was it interesting?
   - What was the best part of the story?

Day 2  Project-Based Learning

Be Your Own Author

1. Choose one topic to create a story about.

- Family Members

2. Build your story! As you think of your story, draw:

Characters  Setting  What problem does the character face?  How does it get solved?

3. Tell the story to someone:

Use these words!

First, __________
Then, __________
Finally, __________

• Did the listener like the story?
• Did you get ideas to change the story?
One day, Manny, a mouse, found a very big bun. “I will take this bun into my house,” he said. His brother was very hungry.

He ran around the bun and pushed it from the left and from the right, but the big bun did not move.

Hmm... I will tie a string around the bun and pull it into my house.

Manny ran to the house and got a string, but it was too short.
The Greedy Mouse

Manny sat down and ate a little bit of the bun. It was very good. He ate a little more, then a little more. The bun became smaller and smaller.

“Yummy! I will eat it all!” he said.
The bun was gone and it was time to go home.

Manny pushed himself but he could not get into his house. Manny sat outside his door holding his stomach.

“I should not have eaten so much bun. I should have shared it with someone.”

Make a Story Map for this story.

How would you end this story?
1. Draw the Story Map for your own story.

2. Let us start making the pages of our story book!

On a page, draw the characters of your story and write their names.

On another page, draw the setting of your story and write the place’s name.
Many Moods

1. How do your characters feel when they face problem in your story? Why do they feel that way?

2. What happens in the middle of your story?

**Some Ideas**
- What problem does the character face?
- What do the characters do now?

Which pair reached the number 30 first?
They win the game!
Day 5  Project-Based Learning

Be Your Own Author

On a fresh page, draw how your story ends. Here are some ideas:

End

• How did the problem in the story get solved?
• Is the setting same or has it changed?

1. Three or more players should put 5 to 6 objects in a bag without telling the other.
2. Pick out any object from the bag without looking.
3. Tell a story about that object to the others. Take turns!

For example, if you pick out a spoon, this could be the story:

The spoon called Spoony was happy as Sam only ate ice-cream. So, Spoony could always taste something yummy and cold.

Then, Sam learnt about healthy eating in school. So, he decided to have green vegetables.

Spoony told Sam - I do not like the taste! Please don’t eat it! They fought for a while.

Finally, Sam told Spoony that vegetables make him strong. Spoony loved Sam a lot and decided to help him stay fit.

It's Play Time

My friends and I are staging a play. The monkeys are getting their long, brown tails fixed.

The writers are helping the Lion and Mia remember their lines. I play the King.

The palace guards and dancers are practising their dance.

The dance teacher is helping them.

Oh no! Mia tripped over the guard’s spear. The first aid team rushes in. Everyone is fine. Phew!
The audience is coming into the hall. We are so nervous! But I cannot see my family. Where are they? Oh wait! I see them!

Uh oh! My moustache is falling off. The play is about to start. What shall I do?

As an actor, I must think on my feet! Wait and watch – I will be the best King ever.

My hair is my moustache now!

• Who are the characters in the story?
• What is the setting?
• Make a Story Map for this story.
• What do you think the play is about?
• Did you feel nervous while performing? What did you do?
